

Cambridgeshire and Peterborough Care Brokerage

Cambridgeshire and Peterborough Care Brokerage exists to provide you with information, advice and guidance to support your Adult Social Care training requirements. If you are looking for training, we can present you with options. If you are a training provider, we can advertise your offerings. We will also regularly update you on local events and opportunities, keep you up to speed with changes in qualifications and funding routes, and signpost other organisations who could offer useful resources and information.

The Brokerage also administers the Skills for Care **Workforce Development Fund** for Cambridgeshire. This funding can be claimed by Care Employers (once they have joined the **Funding Partnership**) as a contribution to the cost of any social care training listed on the **Table of Acceptable QCF Units**. Please contact us to find out more or for any assistance with the eligibility criteria, including the NMDS-SC requirements.

Whether you are an **Independent Care Organisation**, a **Local Authority Establishment** or an **Individual Employer of Personal Assistants**, the Care Brokerage is on hand to assist you with information and advice to meet your training and funding needs.

Important: The Brokerage is changing!

*You can have your say on what it will be doing and on what it should be called by making use of our **live event suggestions box** or by contacting us...*

How to contact us...

**CPCB, Quality and Workforce Development (QWD),
Cambridgeshire County Council, Box CC1311,
Castle Hill, Cambridge, CB3 0AP**
