

Thinking outside of the box

Innovative ways of supporting the
health and social care workforce

Tuesday 8 and Wednesday 9 June 2010
Hilton Hotel, Gateshead, Newcastle

About the conference

This two day conference will use a mix of expert speakers and interactive workshops to explore innovative ways of workforce development in health and social care, ensuring that they are effective and provide high quality care.

The conference will examine how to make the transition to a workforce that is equipped to deliver a wide range of services and meet the challenges of the future.

Skills for Care & Development
Sgiliau Gofal a Datblygu

Who should attend?

The conference is aimed at operational stakeholders from both adults and childrens services in health and social care:

- Case and locality managers
- Directors of HR
- Training managers
- Clinical directors
- Social workers
- Operational directors and directors of nursing
- Practitioners
- Commissioners

Aims of the conference

Having attended the conference, delegates will:

- gain ideas on how to reduce costs and increase quality.
- understand how apprenticeships can help to grow your workforce.
- use learning from a series of interactive and informative workshops to develop the workforce.
- have the opportunity to network and make new contacts.

Conference fee

The two day conference fee of £99 includes one night's hotel accommodation, including the conference dinner.

Early bird offer - book your place before 10 April 2010 at a reduced rate of £49 (payment must be received by 10 April 2010).

If delegates require accommodation for the night before the conference this can be organised at a special rate. A delegate rate to attend for one day is available priced at £49.
