

E-learning for end of life care
Training for health and social care staff

NHS
East of England

EAST OF ENGLAND REGIONAL LAUNCH OF THE NATIONAL E-LEARNING IN END OF LIFE CARE FOR ALL (E-ELCA)

Date: 23rd February 2010 10am - 1pm and 2pm - 5pm.

Venue: THE CAMBRIDGE BELFRY Cambourne, Cambridge, CB23 6BW.

This is a collaborative event between the National End of Life Care Programme and NHS East of England to launch the national E-learning in End of Life Care for All (e-ELCA) initiative to the East of England workforce.

E-learning in End of Life Care for All (e-ELCA) is an exciting and free on-line e-learning resource to help train and educate health and social care staff delivering end of life care. For more information visit the website at www.e-elca.org.uk.

REASONS TO ATTEND

- Dr Bee Wee, Senior Clinical Lecturer in Palliative Medicine at Oxford University will be presenting on the development of the e-ELCA resource.
- Test drive e-ELCA training modules and hear from the experts.

For full details of all presentations and workshops visit NHS East of England website on www.eoe.nhs.uk.

This is an exciting and essential event suitable for:

- Senior managers and clinicians in health and social care organisations.
- Local education leads in health and social care organisations.
- E-learning leads from across health and social care.
- Those who mentor colleagues whose work involves end of life care.
- Anyone whose work involves caring for those approaching the end of their life and would like an early look at what the new resource offers.

There are two launch sessions, one in the morning and one in the afternoon.
