

PILLS 'n' POTIONS

An Introduction to the Medication Competency Framework

A half-day course for Line Managers working in domiciliary care

Aimed at:

Managers and senior carers who will be assessing competence of staff who have already attended Pills 'n' Potions training / Refreshers

The Learning Outcomes are:

This is a short course designed to give the line manager the knowledge and skills required to assess the competency of care staff to safely assist with the administration of medication to individuals.

By the end of this course, you will be able to understand the following:

- The Medication Competency Framework
- The different levels of support
- The MAR Chart and its use in the workplace
- The Medication Risk Assessment

NVQ links:

The course is linked to NVQ Level 3, Unit HSC 375 a & b and supports the Cambridgeshire Medication Policy 'Assisting People with Prescribed Medication in the Domiciliary Care Setting'.

N.B. This training is free to Cambridgeshire County Council and PCT staff
£15per person for independent providers
