Support for Managers and leaders of Social Care Services

Cambridgeshire County Council is working with Business Link and The
Opportunities Trust to support current changes in the Social Care Market.

Don't loose out on your opportunity to take advantage of these free
information and network events, open to all providers of social care.

These 4 hour sessions are aimed at sharing information on various areas of
Self Directed Support and include:

- Your business response to Self Directed Support.
- Presentations by business speakers on business re design.
- Personal stories of those who are already changing their lives using
Self Directed Support.
- Networking opportunities.
